

ID BADGE SOUVENIR

ID BADGE PHOTO SOUVENIR

Innovative FOTO's ID Badge Photo Souvenir kiosk brings a unique personal photo identification experience to any location. The user-friendly design creates an immersive guest experience where guests can take home a personal ID badge with an authentic look and feel. The ID Badge Photo Souvenir prints standard ID sizes, 3.75 in X 2.25 in, on high-quality .027 mil PVC and helps businesses generate additional revenue with no risk or startup costs.

Features & Benefits

HOW IT WORKS

- Localize branding through customized kiosk graphic wrap and digital display.
- Update and change your digital marketing message remotely via a wireless air card, including custom output graphics to coincide with featured exhibits, holiday seasons, or special events.
- No cost to you—Innovative FOTO provides design service, kiosk, and service maintenance.
- Custom-designed, free-standing kiosk with all lighting, camera, print delivery, and payment options built into each kiosk.
- Completely self-service meaning no responsibility for cash handling—all transactions completed at the kiosk.

WHAT'S INCLUDED

- A complete full-service, in-house operation from manufacturing to ongoing service.
- All design, manufacturing, installation, and maintenance of the unit provided by Innovative FOTO.
- Remote monitoring 24 hours a day to ensure continuous, uninterrupted operation.
- Customer to retain final approval rights on graphic designs.
- Qualified local service technician, in addition to a technical and customer service support center.
- Accepts all major credit cards and cash as payment at the photo booths.
