

INDOOR KIOSK

INDOOR KIOSK

Innovative FOTO's self-service Indoor Kiosk provides a unique photo booth experience for guests that eliminates the need for costly staffing. With an Indoor Kiosk, businesses can increase revenue and improve the guest experience without having to sacrifice valuable floor space. Its slim profile and small footprint can be designed to match any desired aesthetic, enhancing the space in which the kiosk resides. All Innovative FOTO booths and kiosks are designed and manufactured in the U.S.A. and can be configured to meet each business' unique photo experience needs.

Features

- Innovative FOTO provides design service, kiosk manufacturing, and service maintenance.
- Custom-designed free-standing camera, print delivery, and payment options built into each unit.
- Employees are not responsible for cash handling—all transactions completed at the kiosk.
- Accepts all major credit cards and cash as payment at the kiosk.
- Completely self-serve—no staff interfering with or interrupting the guest experience.
- Localized branding through customized exterior graphic wrap and digital display.
- Custom designed output for your venue.
