

OUTDOOR NEO

OUTDOOR NEO

Innovative FOTO's Outdoor NEO is a self-service outdoor photo booth designed to resist fading and other weather-related damage for up to 10 years. Manufactured and customized with state-of-the-art hardware and software, including DNP's dye-sublimation printers, the Outdoor NEO creates a unique photo experience for guests and eliminates the need for costly staffing. Every booth can be designed to match any location's desired look while enhancing the environment it resides in. All Innovative FOTO booths are supported by its National Sales Network as well as a call center open seven days a week.

Features

- Innovative FOTO provides design service, booth manufacturing and service maintenance.
- Camera, print delivery and payment options built into each unit.
- No responsibility for cash handling - all transactions completed in the booth.
- Accepts all major credit cards and cash as payment in the booth.
- Completely self-serve - no staff interfering with or interrupting the guest experience.
- Localized branding through customized exterior graphic wrap and digital display.
- Built to last—each outdoor booth exterior is composed of extremely durable, digital high-pressure laminate and guaranteed to resist fading or weather-related damage for up to 10 years.
- Custom designed output for your venue.
